MEMORANDUM FOR THE RECORD

SUBJECT: Building Guards

1. I inquired of Mr. Mason, Chief, Budget Section, Office of the Comptroller, as to the arrangement between General Services Administration and ourselves concerning reimbursement for the cost of building guards. He provided me with some figures, and his Deputy, Mr. Buckler, in a return call this date, supplied me with the balance.

2. CIA has 13 sergeants, of whom 10 are supplied without cost to the Agency by GSA, the other three being supplied on a reimburseable basis.

3. Exclusive of sergeants, we had 288 positions for guards for fiscal year 1955. The average number of guards employed was 271.7, and the cost was approximately $1,262,000. In the fiscal year 1956 budget we have provided 303 positions, the estimated cost for which will be about $1,400,000 including the pay raise.
